

## TESTIMONIAL FOR MR. RAVI KAPUR

Dear Ravi,

I, Amit Kukreja, founder of WealthBeing Advisors – a financial planning and investment advisory firm, would like to place on record that the services provided by Absolute Security owned by Mr. Ravi Kapur are thoroughly professional and process-centric.

I had a personal situation 5 months ago for which I needed a security guard. When the situation was discussed with Ravi, he immediately offered to help and with the least turn-around time offered me a guard with his duties customized to my specific requirements.

Absolutely security services offers a truly client-centric service delivery. Ravi's vision and leadership skills to keep it as a process-centric organization has stood the test of times. They are not only strict by processes but they are equally flexible customizing the service to ever-changing requirements of the clients. Thank you so much for doing all the hard work for me. I would highly recommend your services. And I wish you all the luck for your business.

Sincerely

Amit Kukreja
