TESTIMONIAL FOR RAVI KAPUR""

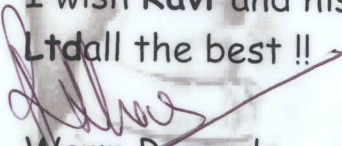

This testimonial is for Ravi Kapur.
Sanskriti's very own 'Security Manpower Provider'.

My name is Reteish Sharma, and I represent Zynna, Delhi's finest window treatment showroom.

Ravi is very well poised, very patient and steady entrepreneur, who certainly knows his processes very well. Before, I met Ravi, Zynna had to struggle with the Security Manpower. I always thought that Manpower providers are expensive and high end companies, who want to work only with the large corporates. Ravi changed this view of mine. At Zynna, we needed only one Guard, which Ravi not only agreed to provide, but also, the team and the processes followed in his company made us feel as important as any of his top end corporate customers. One call from Zynna, and Ravi's team is available with all needed solutions.

After having said this, I will confidently refer Ravi and his company Absolute Management Services Pvt Ltd to my connect circle of friends and business associates. Not only because he is a thorough gentleman but also because, his team is perfect in deliverables and is very important for every organizations peace of mind.

I wish Ravi and his company **Absolute Management Services Pvt Ltd** all the best !!

Warm Regards
Reteish Sharma
