Special Incentives To Be Given To Guards From Client's Side

It has been observed at times that the client is happy with a particular guard and wishes to reward him monetary. We do not necessarily encourage it however if he still wishes to pay him, he can rather than paying him directly he can route any such incentive via the company. We would pass on the full amount to the guard without any additional service charges besides bearing the extra ESI amount applicable on it.

Absolute Opens Office in Gurugram

As more and more clients based out of Gurgaon are trusting us, we have decided to open a full-fledged recruitment and training office at 42/38, 1st Floor, Vashisth Complex, Rajeev Colony, Gurugram. The office is conveniently located next to Rajeev Chowk on NH-8. This office should help us in recruiting and training more guards serving this region and hence would lead to overcoming shortage of manpower that we face at times in this region. The office has full-fledged training room and training will be imparted through digitised content.

Feedback Form

Absolute has changed its feedback form and has based it on Net Promoters Score (NPS), which is one of the most popular method of taking feedback in the world. You just need to answer one question: How satisfied are you with the service? instead of filling couple of questions previously. We have also stopped basing Security guard incentive on the feedback score. We hope to continue receiving positive feedback from you in times to come.

The image shows a feedback form titled "ABSOLUTE To Be Filled in Presence of F.O Only". It includes fields for Name of the Subordinate, Name of the Subordinate's Supervisor, and a signature line. Below these are two questions: "How satisfied are you with our service?" with a 5-point NPS scale (1-5) and "How likely are you to recommend Absolute Security & Facility to your friends or colleagues?". A PDF icon is visible in the bottom right corner of the form.
