HDFC Bank gives 50 more branches

We are elated to inform that one of our existing clients HDFC Bank has given security services for 50 more branches. So, this adds up to the total business of over 350 branches in the HDFC Bank Limited. This additional business has been generated based on various parameters but most importantly on the quality of service we have provided to bank for over 20 years.

Information Every Quarter

Know the Process

Single guard deployment process

At certain premises there is only single guard in either day or night shift. In order to ensure the guard reaches and leaves on time, company has the process of calling on the landline number at the reporting time as well as at the time when the guard leaves the post. This ensures the guard reaches on time and does not leave the premises prior to his official duty time. Wherever landline number is not available company ensures to paste a mobile phone at a very minimal cost.
