Testimonial for Ravi Kapur

I Sidhartha Agarwal Director Executive of Reiz Electrocontrols Pvt. Ltd. Manufacturing Led Lighting for the past 32 years, would like to put on record that we have been using the Security services of Mr. Ravi Kapur of Absolute Security Services since more than 1.5 year.

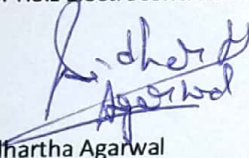

The services offered are very professional and right from the start the following measures, not found in other agencies were introduced, which are very effective:

1. Feedback form for every month
2. Incentive to guard if he catches theft
3. What's app group with Absolute Team members and Reiz Team
4. Redressal of any issue within 1 hour
5. CCTV surveillance (optional)

We have no hesitation in recommending Absolute Security services to our Business circle and to our Customer sphere.

Kind Regards.
