

Absolute implements an App-based Security Monitoring System

We are happy to inform you that our company has implemented an Application based Security Guard Monitoring System for continuous security guard tracking at your premises to ensure the security guards stay on their toes. In this system, the guard will scan the QR code affixed at strategic locations to ensure timely security checks at predefined intervals at your premises. A report of the same on a periodic basis is prepared to help to patrol across the defined perimeter which can be shared with our clients as well. **This service is available at a very small additional prize.** All of this is done to make sure that the security guard is alert and is on his toes.

Most importantly we can offer you even better services.

Security/Housekeeping staff deployment process for a New Client

We at Absolute Security & Facility Management have introduced a Process for the deployment of Security Guard/Housekeeping staff at the sites. **The process consists of a total of 44 checks** before and after any guard is deployed at any site. We are citing a few of them here.

- **Pre-Deployment**
  - Identification of the security guard/housekeeping staff
  - Pre-deployment form to be filled by the team
  - ASM/FO to visit before the deployment of the security guard/housekeeping staff
- **Deployment Day**
  - Confirmation of the deployment
  - Welcome mail sent to the client
  - Escalation matrix sent to the client
- **Post Deployment**
  - WhatsApp group with the client for regular touch with the client
  - Post Duty Manual is created for each site as per the client’s requirement
  - Senior Security Manager visits the site for security check

These are some of the checks we do for each and every new deployment. All this is done for the smooth deployment and functioning of security guards/housekeeping staff at all our sites. Our services are not just limited to providing our clients with a well-trained security staff but also to ensure that our appointed personnel are delivering the expected services.

Know The Staff Member

Mr. Venu Gopalan Nair (Sr. Correspondence Officer)

This quarter we would like to introduce Mr. Venu Gopalan Nair (Sr. Correspondence Officer). He is handling the profile of a Single Point communication contact with the entire clientele. All the mails sent to our clients are written by him on behalf of the Operations team. He has worked in a myriad of industries including Telecom, Power and Travel and has an experience of more than twenty years in Telecom industry and was associated with Travel Industry for the last 4 years before joining Absolute. He has done his Post Graduation in Management stream from Bhopal University. Outside of work, he enjoys attending prayer gatherings and regularly does meditation and spends good time with family, playing games with his son.
